

MALLOW, IRELAND UPDATE SPRING 2008

Do you have room for one more at your Thanksgiving table?

The Tinley Park Sister Cities Commission will invite some of our friends from Mallow, Ireland to join us Thanksgiving week 2008 and we are looking for volunteer hosts.

Tinley Park has a sister city, or twinning, relationship with Mallow, Ireland. One of our goals is to expand the number of people involved. We want more volunteers to host here in Tinley Park and more visitors to visit from Mallow. Thanksgiving is a great time to do both.

America has much to be thankful for. Our Thanksgiving Day is unique in the world. Tinley Park is a welcoming, sharing and special community. Thanksgiving is a time of plenty and a very happy time of the year. Let's share this wonderful time with our friends from Ireland. We will invite our guests to arrive November 22 or 23 and return December 1 or 2, 2008.

How do you celebrate Thanksgiving? Turkey, ham, sweet potatoes, dressing, cranberries? Do you go to church, enjoy a day of football? You will be able to share your family traditions, special recipes and your personal history with our friends from Ireland. We know your family celebration is unique and our Irish guests will enjoy it. You may even find time for some shopping the day after.

Volunteer now and get involved. Open your heart and your home. You may be quite surprised what you learn about our guests and your community. It is easy to do; email the Tinley Park Sister Cities Commission at sistercity@tinleypark.org or call 708-444-5000 and leave your name and telephone number.
