

175th Street construction update

Posted: March 21, 2025

The Cook County Department of Transportation and Highways is continuing its reconstruction and widening of 175th Street and Ridgeland Avenue.

On March 26, Nicor Gas and its contractor, NPL Construction, will begin replacement of the existing gas main with a new 8-inch main on 175th Street from 67th Court to the mid-block of Ridgeland and Highland avenues. Gas main work is expected to occur through late June, but final completion is dependent on various factors.

During this period, a single one-way eastbound lane of traffic from Oak Park Avenue to Highland Avenue will remain open. Residents affected by the work will be given regular updates regarding parking limitations, street closures and gas service interruptions. Work is weather-dependent and may change weekly or daily. In accordance with Village of Tinley Park ordinance, crews will work from 7 a.m. to 5 p.m.
