

New series highlights Village departments

Posted: April 4, 2025

Tinley Park Village Manager Pat Carr recently sat down with Public Works Director John Urbanski as part of the brand-new Department Spotlight series, which focuses on how each department contributes to the mission and vision within the Village.

Topics included an overview of the Public Works Department, a breakdown of what each division does, updates on key current projects and much more. You can watch the video at the link below or on the Village YouTube channel. Stay tuned for future entries in the Department Spotlight series!
