

Village seeks Plan Commission volunteers

Posted: May 9, 2025

The Village of Tinley Park is looking for residents who would like to give back to their community by volunteering to serve on the Plan Commission.

Meetings are held at 7 p.m. the first and third Thursdays of the month in the Council Chambers at Village Hall. Commissioners meet to recommend to the Village Board a variety of development requests and help guide planning documents for the future.

The Village's commissions are an integral part of the community and feature countless dedicated volunteers who work to make Tinley Park a better place to live.

If this sounds like something you'd be interested in being a part of, send an email and your resume to clerksoffice@tinleypark.org to be considered for the open position.
