

Harmony Square set to open July 18

Posted: May 15, 2025

After more than a year of construction, Harmony Square plaza at the corner of Oak Park Avenue and North Street in Downtown Tinley will open on Friday, July 18! Visitors are invited to stop by from 7 to 10 p.m. to celebrate with a special concert by rock band The BoDeans, whose 1993 hit song “Closer to Free” served as the theme song for the TV series “Party of Five.”

“Harmony Square has been a long time in the making, and I’m excited for everyone to finally start enjoying it,” Tinley Park Mayor Michael Glotz said. “It’s a great addition to our already spectacular downtown. I have no doubt that the new plaza will quickly become a go-to hotspot for anyone looking to have a good time filled with great music, delicious food and drink, and wonderful company.”

Everyone is invited back to Harmony Square that same weekend for the annual Tinley Park Block Party from 2 to 10 p.m. Saturday, July 19 and noon to 7 p.m. Sunday, July 20. Celebrate summer with live music on two stages, food and beverages for sale, fun rides and games, and much more!

Harmony Square began construction in April 2024 and features a synthetic turf lawn, a water feature, a 30x50’ concert stage, a synthetic ice rink, a gateway pergola and much more. The project also includes infrastructure improvements and the reconstruction and beautification of North and South streets with brick pavers and the construction of a new road connecting North and 173rd streets. Harmony Square also features a special VIP building for private parties.
