

Gear up for Cruise Nights

Posted: May 30, 2025

Tinley Park Cruise Nights return for another year of sleek summer fun from 5 to 8 p.m. Tuesday along Oak Park Avenue! Come out for classic cars and DJ music from 171st Street to Harmony Square at North Street. The best part is everything is free!

While you're checking out all the cool cars, be sure to stop by Tinley Park V.F.W. Post 2791 for food and beverages for sale, and balloon animals for the kids.

Oak Park Avenue will close at 4:30 p.m. for parking, which is available until filled. Show cars must enter from 171st Street, filling parking spots from north to south. Cars may leave at any time with a safety escort.

Cruise Nights reoccur every Tuesday through Sept. 9 (except for Aug. 5). Learn more at VisitTinleyPark.com or TinleyPark.org/CruiseNights.
