Tinley Park once again received several first-place nods in the annual Southland Your Times readers' poll, which honors the best the south suburbs has to offer.

Tinley Park won "Best Place to Live" for the fourth consecutive year, as well as "Best Mayor," "Best Downtown," and "Best Place to Work." The Village also took second place for "Best Local Festival" for the Tinley Park Block Party. In addition, many Tinley Park businesses and organizations also took first-, second-, and third-place honors in the poll.

"I want to thank everyone who helped Tinley Park win in so many categories. It really speaks to the great character of our residents, the quality of our businesses, and the hard work of our staff that so many people consistently rate Tinley Park so highly," Mayor Michael Glotz said. "It's a great honor to again win Best Mayor, and I thank everyone for their support."

This year, about 280,000 votes were cast in more than 180 categories. You can read the full issue at [SouthlandNewsGroup.com](https://www.southlandnewsgroup.com).
