SENIOR BUS SERVICE

The **Senior Bus Service** is a safe, convenient, and affordable transportation option for seniors to live independently in their communities. Having access to transportation is critical to staying connected to family and friends, and to pursuing day-to-day activities, both those that are essential and those that enhance the quality of life.

Senior Bus Service

Bus service for Tinley Park seniors and the handicapped is available **from 8:30 a.m. to 2 p.m. Monday through Friday**, excluding holidays. You can make reservations up to seven days in advance by calling (708) 532-7433.

You should make arrangements for transportation to and from **medical or doctor appointments at least two days in advance**.

Whenever possible, we recommend securing a ride **seven days in advance** to secure your medical transportation reservation.

All other non-medical transportation requests should be made **at least 24 hours in advance**; however, we recommend calling seven days in advance.

The fare per ride each way is **\$1 for riders age 65 and older, and \$2** per ride each way **for riders 55 to 64** years old.

REMEMBER: The Senior Bus is available to all Tinley Park residents.

Always treat dispatchers with respect when reserving your ride.
