Subject: Permit application to perform ComEd cable replacement work in existing easements and/or ROW within the Village of Tinley Park. REF 12695

On behalf of ComEd, INTREN LLC. & Dynamic Utility Solutions will be replacing, installing new and abandoning old, Underground Residential Distribution (URD) Cables in several locations within your village (see attached map). We will be using the directional bore method for the installation of cable. Bore construction is tentatively scheduled to start 01/20/2026 and complete on or about 01/21/2026 approximately 1 working day. Electrical crews will follow within several weeks of bore completion.

Final landscaping (topsoil, seed, and blanket) to follow within 3 weeks of electrical completion, weather permitting. For any restoration / landscape concerns, please contact Dexter Allison (815) 923-2300 x 201.

Please let me know if there is anything else you need from us in order to proceed with the work.

Thank you,
