Village unveils 2015 vehicle sticker

Tinley Park residents have from April 1 to June 30 to purchase the 2015-16 vehicle sticker, which features the Bartels Windmill that once sat on the corner of 171st Street and Oak Park Avenue.

“The iconic windmill was built in 1871 by George Bartels, who was an immigrant from northern Germany,” Village Clerk Patrick E. Rea said. “The windmill was more than 100 feet tall and had six levels and four arms, each spanning 75 feet long.”

In its heyday, the Holland-style mill provided wind power so that millers could work day and night. The mill was dismantled in 1911.

Stickers must be displayed on any motor vehicle operated by a Tinley Park resident on a public street or highway within the Village. Stickers also must be displayed on any motor vehicle that is not in use, but which is kept or stored within the Village. Leased and company-owned vehicles also are included.

Residents age 65 or older are eligible for the senior citizens fee upon presentation of a current driver’s license (one discount per driver’s license or state identification).

“Our thanks go out to residents who buy their stickers on time,” Rea said. “A substantial percentage of the funding from vehicle sticker sales goes to the maintenance of Tinley Park streets.”

Vehicle stickers can be purchased from 8:30 a.m. to 5 p.m. Mondays through Fridays at Tinley Park Village Hall, 16250 S. Oak Park Ave.; and 24 hours a day, seven days a week at the Tinley Park Police Department, 7850 W. 183rd St.
