### **Wisconsin man killed when car crashes in Tinley Park**

A 48-year-old man from Waukesha, Wisconsin died following a Friday night car crash in the 7600 block of West 159<sup>th</sup> Street in Tinley Park.

According to police, Scot J. Tula was driving westbound on 159<sup>th</sup> Street when at about 11:30 p.m. his car veered into the eastbound lane and struck a light pole. Tula was pronounced dead shortly thereafter at Palos Community Hospital.

A female passenger from Tinley Park was uninjured in the crash, which caused a power outage in the immediate area. Police said alcohol was not involved and that they suspect the crash was due to a possible medical issue.

The Tinley Park Police Department and the Cook County Medical Examiner's Office continue to investigate the accident.
