Mayor Seaman rides first express train

Metra Executive Director/CEO Don Orseno and Tinley Park Mayor David G. Seaman met Monday at the LaSalle Street Station in Chicago to inaugurate Metra's new weekly outbound express service from Chicago to Tinley Park.

Train No. 413 now departs at 4:57 p.m., stops at 35th Street, expresses to the 80th Avenue station, and then makes all remaining stops on the line (including Joliet). Metra's experiment with weekend express trains on the Rock Island Line also became permanent Monday.

For more information, visit www.metrarail.com or [click here](#) for the new schedule.
