Tinley police investigating car vs. house incident

The Tinley Park Police Department on March 1 received a call of a vehicle that had struck a house and several cars in the 18100 block of Mager Drive in Tinley Park.

Upon arrival, police discovered that no one in the house was injured. The Tinley Park Fire Department extricated the lone occupant of the vehicle, a 62-year-old Romeoville man, who was transported to Christ Hospital with serious injuries.

An order of protection, issued Feb. 1, prohibits the man from being at the Mager Drive address. The Tinley Park Police Department has previously arrested the man for domestic-related issues.

Police are investigating the incident as an intentional act. The driver remains at Christ Hospital under police guard, and charges are pending.
