Tinley Park Park-n-Ride relocation to DeVry University

Traveling from Tinley Park to U.S. Cellular Field is extremely easy and convenient by using the Pace U.S. Cellular Field Express. The Tinley Park location has been moved this year because of construction at Pace South Division.

The U.S. Cellular Field Express has permanently relocated from the former Burlington Coat Factory Park and Ride in Tinley Park to DeVry University in Tinley Park. The address of the DeVry University Tinley Park Park-n-Ride is 18624 W Creek Drive, Tinley Park, IL 60477. These changes have taken effect since Friday, April 8th, 2016.
