Tinley police investigating armed robbery attempt

The Tinley Park Police Department is investigating an attempted armed robbery that occurred Wednesday morning at an apartment complex in the 15900 block of Centerway Walk.

Police said a man wearing dark jeans and a black puffy jacket with fur trim entered the apartment's leasing office at 11:09 a.m. and pointed a handgun at an employee before demanding money. The employee told the man she didn't have any money and advised him to leave due to the many workers and cameras present in the building, police said. The man then left the area on foot.

Police said the gunman was an African-American male about 20 years old, 6 feet tall and weighing 160 lbs.

Anyone with information should call the Tinley Park Police Department at (708) 444-5300.
