

PACE advises caution in advance of Winter Storm Mateo

Issued Feb. 8, 2018

In anticipation of Winter Storm Mateo, PACE advises fixed route and ADA paratransit service passengers to postpone or cancel non-essential trips beginning Feb. 8 through Feb. 11. PACE fixed route and paratransit service likely will experience significant delays due to heavy snow and hazardous driving conditions. For riders who must travel, please dress warmly and be prepared for possible service delays. Visit www.PaceBus.com for the latest service updates.
