

Public Works scam warning

Issued: May 17, 2018

There have been two reported incidents of persons imitating Tinley Park Public Works employees in an attempt to enter Tinley Park residences.

The Tinley Park Public Works Department will not show up at your residence without an appointment, and all employees of the Village that appear at your residence will have proper identification. Please contact the Tinley Park Police Department immediately should anyone come to your residence unannounced identifying as a Public Works employee or as an employee of the Village of Tinley Park.

A list of approved water meter technicians is available on the Village website.
