

North Street ribbon-cutting ceremony Oct. 1

Issued: September 27, 2019

The Village of Tinley Park will host a ribbon-cutting ceremony for the newly completed North Street at 4:30 p.m. Tuesday, Oct. 1 near the corner of Oak Park Avenue and North Street.

North Street is the first phase of Harmony Square, a public plaza to be located immediately north of the street. Roadwork was made possible in part with \$200,000 in green infrastructure funds from the Metropolitan Water Reclamation District of Chicago. The new street was designed by Robinson Engineering, Ltd. and constructed by Austin-Tyler Construction.

Work included installation of new permeable paver stones, infrastructure improvements and piano key crosswalks.

Watch a short time-lapse video of the North Street construction by visiting the Village's YouTube page.
