Food and Snack Vendor Application

Two food vendors and two snack vendors are being sought for the Downtown Tinley Boo Bash. This is a first come, first served opportunity; however, Tinley Park businesses will be given first preference. Organizers may request modifications or deny applications if menus are too similar. Menu and prices must be approved and must be kid friendly. This event continues to grow each year, with approximately 7,000 in attendance last year. The food and snack vendor fee is \$150. All vendor fees directly support programs and activities for Boo Bash.
